How to protect yourself against COVID-19 Vaccine frauds and scams

1. There is no survey program
2. There is no "reward" program for taking a survey
3. The logo isn't correct
4. Go to Pfizer's (or any other vaccine company's) official website, no information on a survey of any kind
5. Location is wrong (Pfizer is located in New York **NOT** Nevada or Florida)
6. If you hover over the links they all go the same place and it is **NOT** a good place to go
