

Will Medicare Pay For Your COVID-19 Test?

Yes

Medicare will cover all tests **performed by a lab when ordered by a doctor**, pharmacist or other health care professional.

One Test

Medicare will cover only **ONE lab test per patient when NOT ordered by a doctor**, pharmacist or other health care professional.

No

Original Medicare will **NOT cover** tests **NOT** performed by a lab, such as at **home test kits**.

Some Medicare Advantage plans may cover them.
